FROM THE PREACHER'S DESK

April 28, 2024

This morning our Student Ministry is away at their spring retreat and I ask that you join me in praying for their safe return later this afternoon. I also pray they have experienced a great spiritual weekend full of growth and relationship building. I also want to say how impressed I was with their leadership of our worship last week. Great job to everyone who participated and to Brett for his leadership of this ministry.

A couple of weeks ago Melissa and the Children's Ministry families enjoyed a picnic in the park and an opportunity to engage our children in service by doing some clean up around the park as well. It is great hearing about these families and children serving, and I thank Melissa for her vision and leadership to include these type of activities. Thanks to all the families that were able to participate as well.

Please pray for me this week as I make my annual trek to the Pepperdine Lectureship this Tuesday. I am always spiritually fed and encouraged by my time there and I know this year will be no different. I appreciate David covering Waypoint on Wednesday and I look forward to being back with you Sunday. I appreciate your prayers.
