FROM THE PREACHER'S DESK

April 21, 2024

Susie and I are out of town today and the young men from our Student Ministry will be leading our worship. Brett and his team always put together a great day for our student-led Sundays, and I know this one will be no different. It is always a blessing to watch these students in action and to be led to the throne of grace in worship. We will be tuning in via livestream and look forward to this morning's worship. If you are reading this before worship, ask God to give each of our students a special measure of courage and boldness as they lead today. I look forward to being back with you Wednesday night.

It is hard to believe that we are approaching the month of May. Senior Sunday, Mother's Day, and the end of our small groups until the Fall are just around the corner. In addition to that, school is nearly out and I know our students and school personnel are ready for the break. As I think about this, it is a reality that time goes quickly and we are to make the most of every opportunity that we have. I hope that you treasure these moments and seasons, and will do just that. I also hope that you will be reminded that, in the grand scheme of things, life is short. Our chances to serve and be faithful are here only for a season. I encourage you to make the most out of it. Keep being the light of the world and the salt of the earth. This is a great place to be a part of and I hope you will continue to be who God is calling you to be!
