FROM THE PREACHER'S DESK

March 24, 2024

We continue to work to find our college and young adult minister to serve here with us, and this past Tuesday and Wednesday we were able to bring in and visit with Chris Jeter, who is currently serving in Texas. Due to schedules with Chris and Kingwood, we had to take advantage of a mid-week visit. Please continue to pray as we work through this process and find the right person to lead this ministry moving forward. We will update you each step of the way.

Next Sunday is Easter Sunday and, as always, people are more open to a church invite next Sunday than possibly any other time of the year. There is something about Easter that peaks the attention of others and gives us a great chance to reach out to those around us. I encourage you to do just that. What neighbor, co-worker, classmate, friend, or family member do you need to invite next week? Care enough about them to invite them to be your guests next week. You never know what their response might be and it could be that it will change their life for eternity!

The summer mission team to Honduras met last Sunday and continued their preparations for the trip coming up in July. I am looking forward to joining this group and working with a ministry that is near and dear to my heart. Please continue to pray for this group and join us for our next Mission Kitchen fundraiser meal Sunday, April 7, in the fellowship hall!
