FROM THE PREACHER'S DESK

March 31, 2024

The resurrection of Jesus Christ changes everything! It changes the opportunities we have in this life, the ultimate fate of sin, and our eternal future. We celebrate this daily in our own individual lives, weekly as we commune and worship together, and we celebrate it today on Easter Sunday! When I hear the term "Happy Easter", it warms my heart because the resurrection of Jesus truly changes everything! Today, we celebrate the resurrection and thank God for His wonderful plan to redeem mankind, the sacrifice needed to accomplish it, and the Savior that willingly endured it. Happy Easter!

I am not great at writing thank you cards for many reasons so I typically don't write them. Words are often never enough. From the bottom of my heart, with all kinds of emotions as I type this, my family and I are so appreciative of everything you have and continue to do for our family during Dad's extended illness and ultimate passing from this physical life. I know I will leave something out but you have fed us through a meal train, delivered Wednesday night meals, sent so many gift cards to help fill in the gaps, sent cards and texts of encouragement, made phone calls and visits, and so much more that I know I am leaving out. Most importantly, you have covered us with love by lifting us up in prayer. Your love and mercy shown to us is beyond comprehension. These are not just words, but I truly can't comprehend all the ways you have held us up through this journey. I don't know how people without church families make it through times like this and I am glad that I don't ever have to find out. Thank you and we love you more than these feeble words can express.
