## FROM THE PREACHER'S DESK

**April 14, 2024**

I want to thank all of you who were able to join us for lunch last week as we wrapped up our group fundraising for our Honduras trip. Some also contributed without staying and our team is appreciative of all of the donations given for this effort. Breaking Chains is a group that is very near and dear to my heart and I am excited that we have such a good group going with us. Thank you for your financial support and I ask that you continue to be in prayer as we make all of our plans to go in the middle of July.

Next Sunday, Lord willing, Susie and I will be out of town and the young men from our Student Ministry will be leading our worship. Brett and his team always put together a great day for our student-led Sundays, and I know this one will be no different. Go ahead and begin praying now for each of the students who will take an active part in this day. I know they will appreciate it. I look forward to joining you online next Sunday and will be encouraged by their leadership of the day.

Today, we will take a moment in the service to pray over the Prater and VanZant families who have had children since our last dedication Sunday. We look forward to this time and we know that God continues to bless these families, and our church, with these additions. Moving forward, our plan will be to not have a regularly scheduled dedication service, but to pray over the families as they come to church following the birth of their children.
